Article III General Provisions

1. The Neighborhood Association shall adopt bylaws, rules and regulations consistent and in conjunction with the Primary Declaration, and shall have the rights, privileges, covenants, and restrictions as set forth in said Primary Declaration.

2. The Board of Directors of the Neighborhood Association elected in accordance with the Articles of Incorporation and Bylaws shall be charged with the management of the association. The Board of Directors shall have the right to make such reasonable rules and regulations as will enable it to adequately and properly carry out the provisions of this Supplemental Declaration.

3. To the extent not provided by the Chapel Ridge Homes Association, Inc. ("Primary Association"), the Neighborhood Association shall perform such duties that may be necessary to maintain the Neighborhood. Specifically, the Neighborhood Association shall provide for the cutting and trimming of lawns on Lots, maintenance of trees planted by the Neighborhood Association, and driveway / sidewalk snow removal (2" or greater). The Neighborhood Association shall have no responsibility, however, for the upkeep or maintenance of structures and other improvements on the Lots. Further, the Neighborhood Association shall have no responsibility for removal of ice on any surface, sidewalk or driveway contemplated herein.

4. In addition to the foregoing, the Neighborhood Association shall have the following discretionary duties:

(a) To provide, maintain, protect and, when necessary, design, construct and replace protective lighting within the streets of The Reserve at Chapel Ridge when adequate service of that type is not available from any public source or the Primary Association.

(b) To provide for the maintenance of any gateways, entrances, fountains and other ornamental features now existing or which may hereafter be created in common areas within The Reserve at Chapel Ridge when service of that type is not available from any public source or the Primary Association.

(c) To acquire and own the title to such real estate as may be reasonably necessary in order to carry out the purposes of the Neighborhood Association and to pay taxes on such real estate as may be owned by it.

(d) To enforce, either in its own name or in the name of any owner of a Lot, any or all restrictive covenants including those set forth herein.

(e) To care for, maintain and remove rubbish from vacant Lots or other unimproved property in the Neighborhood Association and to do such other things necessary or desirable in the judgment of the Neighborhood Association to keep vacant and unimproved property in the Neighborhood in a neat appearance and good order.

(f) To exercise control over easements as the Neighborhood Association may require from time to time.

(g) To levy and collect assessments as provided for herein.

(h) To provide for the cleaning and maintenance of streets, gutters, catch basins and sidewalks, when such services are not available from any public source or the Primary Association.

(i) To erect and maintain signs for the marking of streets, and signs for the protection of children and other persons, when such signs are not available from any public source or the Primary Association.

(j) To contract for the services of consultants, managers, accountants and attorneys to act on behalf of the Neighborhood Association as required.

5. For the purpose of providing a general fund to enable the Neighborhood Association to exercise the powers and maintain the improvements and render the services herein provided for, each Lot within the Neighborhood, upon which a dwelling has been erected and is then or has been at any time theretofore occupied as a residence, shall be subject to annual general fund assessment which may be levied by the Neighborhood Association annually or at such other times as the Neighborhood Association may determine in advance. Anything to the contrary herein notwithstanding, Chapel Ridge Partners II, LLC, including its transfers and assigns, in its sole discretion, shall fix the amount of annual assessment, for so long as they own land contemplated within this Declaration (including Lots or land added to the Neighborhood at a later date.)

Thereafter, the Board of the Neighborhood Association shall from year to year fix and determine the total amount required in this general fund and may levy and collect an annual assessment for each Lot. Assessments shall commence either upon occupancy of the home or by completed sale, whichever comes first. The assessment for the year in which the dwelling is erected shall be determined on the basis of date of the occupancy permit and will be prorated on a 365-day basis.

6. The maximum annual assessment upon each Lot as aforesaid may be increased by the Board of the Neighborhood Association on all the Lots by an amount not exceeding 50 percent of the preceding year annual assessment which the Neighborhood Association may levy against such Lot and collect from year to year; provided, that the preceding year annual assessment upon each Lot as aforesaid may be increased on all the Lots by an amount not exceeding 100 percent of the previous annual assessment applicable to said Lot, provided that a meeting of the members specially called for that purpose, 75 percent of the votes of the owners of the Lots in person or by proxy at such meeting may authorize such an increase by an affirmative vote therefore. The Neighborhood Association shall be empowered to levy and collect special assessments for capital improvements or repairs in such amounts as the said Board deems reasonably necessary.

7. The first general assessment hereunder shall be for the calendar year beginning January 1, 2017, and shall be payable thirty (30) days after such assessment; future assessments shall be due and payable January 1st of each year thereafter. Within fifteen (15) days from the levying of each assessment, the Neighborhood Association shall notify all owners of assessable Lots whose addresses are listed with the Neighborhood Association to levy the assessment prior to January 1st of each year for the next succeeding fiscal year beginning on January 1st shall not invalidate any such assessment subsequently made for that particular year; nor shall failure to levy an assessment for any one year affect the right of the Neighborhood Association to do so for any subsequent year. When the assessment is levied subsequent to the 1st day of December which precedes such fiscal year then such assessment shall become due and payable not later than thirty (30) days from the date of levying the assessment. The Board of Directors of the Neighborhood Association may elect to permit collections in monthly, quarterly, or semi-annual settlements in lieu of the annual payments provided for herein.

8. Additionally, an initiation fee shall be payable by the owner to the Neighborhood Association for use as part of the general funds of the Neighborhood Association, upon the initial occupancy of the residence on the Lot after the residence is constructed (which initiation fee is in addition to the first regular monthly assessment, as it may be prorated); and each subsequent transfer of ownership of the Lot for value. The initiation fee shall be fixed annually.

9. The owner of each Lot subject to an annual assessment herein provided shall by acceptance of a deed to such Lot be taken to have agreed and does by these presents agree to pay to the Neighborhood Association all assessments placed against such Lot in accordance herewith, and the Neighborhood Association is hereby granted the power to proceed against such owner personally for the collection of said assessments, said right to be in addition to and not to be construed as a limitation upon remedies and rights of the Neighborhood Association otherwise herein granted.

10. The assessments provided for herein shall become a lien on the real estate against which it can be levied as soon as it is due and payable as above set forth; provided, however, that such lien shall be inferior or subordinate to the lien of any valid first mortgage now existing or which may hereafter be placed on said real estate. In the event of the failure of any owner to pay the assessment within 30 days from the date same is levied, then such assessment, from the 30th day after it has been levied shall bear interest at the maximum rate of interest then allowed in Missouri of said judgments.

11. Within 30 days from the date of levying the assessment for the calendar year during which and for which the assessment is levied, the assessments shall become delinquent and payment of both principal and interest may be enforced as a lien on said real estate, in proceedings in any court in Platte County, Missouri having jurisdiction of suits for the enforcement of such liens. The Neighborhood Association may, at its discretion, file certificates of nonpayment of assessments in the office of the Recorder of Deeds whenever any such assessments are delinquent. For each certificate so filed, the Neighborhood Association shall be entitled to collection from the owner(s) of the property described therein a fee of the greater of \$150.00 or one year's general assessment, which fee is hereby declared to be a lien upon the real estate so described in said certificate, provided that such lien shall be inferior and subordinate to the lien of any valid first mortgage now existing or which may hereafter be placed on said real estate. Such fee shall be collectable in the same manner as the original assessments provided for herein and in addition to the interest and principal due thereon.

12. The Neighborhood Association reserves the right to delegate to the primary Association, with their consent, the power to levy and collect the assessments described herein.

13. The Neighborhood Association shall at no time expend more money within any calendar year than the total amount of the general assessment for that particular year plus a surplus which it may have on hand from previous assessments; provided, however, that the Neighborhood Association may contract for lawn maintenance / snow removal for greater than one year, if in the discretion of the Board of Directors it is in the best interests of the Neighborhood Association to do so.

Article V
Architectural Review Committee

1. Composition and Appointment. An Architectural Review Committee (the "ARC") may initially be appointed by the Declarant, its transferees or assigns, for so long as they own a Lot within the Neighborhood Association after which the ARC shall be appointed by the Board of Directors. The initial board appointed committee shall consist

of three (3) members and shall serve for a term of one year, or until their successors are elected and qualified. Any vacancy in the membership of the ARC shall be appointed by the Neighborhood Association Board to serve for the remaining portion of the term of the originally appointed member. If any vacancy shall occur, the remaining members of the ARC may continue to act until the vacancy has been filled. Any member, except those designated by Declarant, may be removed with or without cause by the Neighborhood Association Board. In the event that the Declarant shall fail to designate an ARC, the Declarant shall serve as the ARC.

2. Powers and Duties. The ARC shall serve as an architectural review board and shall regulate the external design, appearance and location of the Lots and Structures thereon so as to enforce the architectural provisions of this Declaration, enforce the requirements of the recorded subdivision plats, deeds of subdivision, and to preserve and enhance values and to maintain a harmonious relationship among Structures and the Property.

3. Submission of Plans to ARC for Approval. Except for such Structures as may be constructed by the Declarant or Structures constructed by a Participating Builder which have first been approved by the Declarant, no Structure of any kind whatsoever shall be commenced, erected, placed, moved onto or permitted on any Lot, nor shall any existing Structure upon any Lot be removed or altered in any way which materially changes the exterior appearance thereof (including change of exterior color) until plans and specifications therefore shall have been submitted to and approved in writing by the ARC. Such plans and specifications shall be in such form and shall contain such information as the ARC may reasonably require, but shall in all cases include:

- (a) A site plan showing the location of all proposed and existing Structures on the Lot and all existing Structures on adjoining Lots,
- (b) Exterior elevations for the proposed Structures,
- (c) Specifications of materials, color scheme and other details affecting the exterior appearance of the proposed buildings, and
- (d) Description of the plans or provisions for landscaping or grading.

4. Approvals. Any approval or disapproval of a requested action by the ARC shall be in writing. In denying the application, the ARC shall specify the reasons for such denial. The Architectural Committee may approve an application subject to such conditions and qualifications as the Board deems appropriate to enforce the architectural provisions of this Declaration.

5. Failure of the ARC to Act. If the ARC shall fail to act upon any request submitted to it within 45 days after a complete submission thereof in a form acceptable to the ARC, such request shall be submitted to the Board of Directors for approval. If the Board of Directors shall fail to act within 30 days after submission to the Neighborhood Association, then such request shall be deemed to have been approved as submitted, and no further action shall be required. Submission of incomplete plans shall not be considered by the ARC or the Board of Directors.

6. Rules, Regulations and Policy Statements. The ARC shall enforce the design guidelines published by Chapel Ridge Home Owner's Association. The ARC may recommend, from time to time, subject to the approval and adoption of the Neighborhood Association, reasonable rules and regulations pertaining to its authorized duties and activities under this Declaration and may from time to time issue statements of policy with respect to architectural standards and such other matters as it is authorized to act on. The ARC shall adopt rules of procedure, subject to the prior approval and adoption of the Neighborhood Association, which rules of procedure shall include provisions substantially to the following effect:

- (a) The ARC shall hold regular meetings as necessary. Meetings of the committee may be called by the Chairperson and by a majority of the members of said committee.
- (b) A majority of the members of the ARC present at any meeting shall constitute a quorum.
- (c) The ARC shall maintain minutes of its meetings and a record of the votes taken there at.
- (d) All meetings of the ARC shall be open to the Members of the Neighborhood Association and any vote of the ARC shall be taken at an open meeting. Nothing contained herein, however, shall prevent the ARC from meeting in closed session or executive session in accordance with State and Federal laws or regulations.
- (e) A copy of all minutes, rules, regulations and policy statements of the ARC shall be filed with the records of the Neighborhood Association and shall be maintained by the Association as a permanent public record. The Association shall make copies thereof available to any interested Member of the Neighborhood Association at a reasonable cost or shall make such minutes, rules, regulations and policy statements available to any Member for copying.

7. Expenses of the ARC. The ARC may charge reasonable fees for the processing of any requests, plans and specifications including consultation with a professional. The Neighborhood Association shall pay all ordinary and necessary expenses of the ARC; provided, however no member of the ARC shall be paid any salary or receive any other form of compensation at the expense of the Neighborhood Association.

8. Right of Entry. The Chapel Ridge Homes Association, Inc., the Neighborhood Association, including their respective ARC's, through their authorized officers, employees and agents shall have the right to enter upon any Lot at all reasonable times for the purpose of ascertaining whether such Lot or the construction, erection, placement, remodeling or alteration of any Structure thereon is in compliance with the provisions of this Article and Article VI without the Association or the ARC or such officer, employee or agent being deemed to have committed a trespass or wrongful act solely by reason of such action or actions.

9. Meetings.

(a) The ARC shall meet as necessary to consider applications with respect to any item that require the recommendation of the ARC and approval of the Chapel Ridge Homes Association board and / or Neighborhood Association board as provided above and to consider any other matters within the authority of the ARC as provided in the Declarations or the Design Guidelines. The ARC may specify a form or application that must be used by applicants. A majority of the members of the ARC shall constitute a quorum for the transaction of business at a meeting and every act or decision made by a majority of the members present at a meeting which a quorum is present shall be regarded as the act or decision of the ARC.

(b) At each meeting, the ARC shall consider and act upon written and complete applications that have been submitted to it for approval in accordance with the Declarations and Design Guidelines. In making its recommendations, the ARC may consider any and all aspects and factors that the individual members of the ARC, in their discretion, determine to be appropriate to establish and maintain the quality, character and aesthetics of the Neighborhood, including, without limitation, the building plans, specifications, exterior color scheme, exterior materials, location, elevation, lot grading plans, and landscaping plans. The ARC, with approval of the Neighborhood Association, may establish in advance and change from time to time certain procedural and substantive guidelines and conditions that it intends to follow in making its recommendations.

(c) All recommendations of the ARC shall be in writing and delivered to the Neighborhood Association Board for approval. If the Neighborhood

Association approves the Change Request, the request will be forwarded to the Chapel Ridge Homes Association Board for final review and approval / disapproval.

(d) Any applicant or other person who is dissatisfied with a decision of the Neighborhood Association shall have the right to appeal such decision to The Chapel Ridge Homes Association Board provided such appeal is filed in writing with a member of that Board within 30 days after the date the Neighborhood Association Board renders its written decision. In making its decisions, the Chapel Ridge Homes Association Board may consider any and all aspects and factors that the individual members, in their discretion, determine to be appropriate to establish and maintain the quality, character and aesthetics of the Neighborhood, including, without limitation, the building plans, specifications, exterior color scheme, exterior materials, location, elevation, lot grading plans, and landscaping plans. Any decision rendered by Chapel Ridge Homes Association Board on appeal of a decision, shall be final and conclusively binding on all parties. Chapel Ridge Homes Association Board from time to time may adopt, amend and revoke rules and regulations respecting appeals of decisions of the Neighborhood Association.

Article VI Amendments

1. Power to Amend. Except as otherwise specifically provided herein, additions to, changes in, or amendment of this Declaration shall require the consent of owners owning at least two-thirds (2/3) of the Lots and, until the sale by Declarant / Chapel Ridge Partners II, LLC or its transferees and assigns of the last contemplated maintenance provided Lot, the Declarant. Notwithstanding the foregoing:

a. The consent of residential owners of at least eighty percent (80%) of the Lots and, until the sale by Declarant of the last contemplated Lot, the Declarant, shall be required to terminate this Declaration;

b. Chapel Ridge Partners II, LLC, its transferees and / or assigns, reserves and shall have the absolute unilateral right and power to amend this Declaration until one hundred percent (100%) of all of the Lots (as then composed or contemplated by the Declarant) have been sold and a Deed thereto delivered by the Declarant. No such amendment by the Declarant shall require the consent of any owner of the Neighborhood Association; and

c. The Association shall not be permitted to be dissolved except as required by State law.

2. Method to Amend. An amendment to this Declaration, adopted with the consents of residential lot owners, shall be executed with the same formalities as to execution as this Declaration by two officers of the Association and shall contain their certification that such amendment was duly adopted in accordance with the foregoing provisions. Any amendment adopted by the Declarant or a duly empowered successor Declarant pursuant to authority granted it pursuant to this Declaration and shall contain the certification of such signor or signors that such amendment is made pursuant to authority vested in Declarant or any duly empowered successor Declarant by this Declaration. Any amendment duly adopted and executed in accordance with the foregoing provisions shall be effective upon the filing of the same with the Recording Office.

3. Form of Consent of Lot Owners. Notwithstanding the powers retained by Declarant, the consent of residential lot owners to any amendment of this Declaration may be obtained in the form of written consent(s) executed by two-thirds (2/3) of all of the residential lot owners or in the form of a formal resolution approved by two-thirds (2/3) of all of the residential lot owners at a meeting of the members.

Article VII General Provisions

1. Assignment of Rights. The Declarant / Owner, Chapel Ridge Partners II, LLC shall have the right and authority, by appropriate agreement made expressly for that purpose, to assign, convey, transfer and set over to any person(s) or entity, all or any part of the rights, benefits, powers, reservations, privileges, duties and responsibilities herein reserved by or granted to the Declarant, and upon such assignment, the assignee shall then, for all purposes, be the Declarant hereunder with respect to the assigned rights, benefits, powers, reservations, privileges, duties and responsibilities. Such assignee and its successors and assigns shall have the right and authority to further assign, convey, transfer and set over the rights, benefits, powers, reservations, privileges, duties and responsibilities of the Declaration hereunder.

2. Annexation. It is expected that additional property now, or in the future owned by Chapel Ridge Partners, LLC and / or Chapel Ridge Partners II, LLC, their successors, transfers, and assigns may be included within the subdivision commonly known as Chapel Ridge / The Reserve at Chapel Ridge as contemplated in this Supplemental Declaration, and will be annexed and included within the covenants and restrictions of the Primary Declaration and this Supplemental Declaration. All such Property may be annexed into and included within the Properties with the consent of the Developer of the Properties shall be accomplished by and take effect on the filing in the Office of the Recorder of Deeds for the county in which such land is located of an appropriate document extending this Declaration to encumber such added land. All

annexed property shall be subject to the Primary Declaration and, if applicable, the additional Covenants and Restrictions contained herein.

3. Application. Notwithstanding anything contained in this Declaration to the contrary, none of the restrictions contained in this Declaration shall be construed or deemed to limit or prohibit any act of the Declarant / Owner, Chapel Ridge Partners II, LLC, its officers, members, affiliates, subsidiaries, employees, agents and subcontractors, or parties designated by it, including transfers and assigns, in connection with the construction, completion, sale or leasing of the completed residences, or any part of the contemplated maintenance provided property owned by Declarant, including without limitation the ability of the Declarant to own any one or more Lots and lease any such completed homes on said Lots to tenants without the need for any prior consent from the Association or the Board. Notwithstanding anything contained in this Declaration to the contrary, Declarant's right to lease any completed home owned by them without the prior consent or approval of the Association or the Board shall not be assigned, conveyed, transferred or set over unless such instrument specifically states that it is assigning, conveying, transferring or setting over such right.

4. Covenants Running With the Land. The covenants, conditions, restrictions, easements, reservations, liens and charges created hereunder or hereby shall run with and bind the land, and each part thereof: and shall be binding upon and inure to the benefit of all parties having any right, title or interest in or to all or any part of the maintenance provided Lots, and the Association, and their respective heirs, executors, administrators, successors and assigns.

5. Enforcement. In addition to any other remedies provided in this Declaration, Declarant (only with respect to those rights directly benefiting the Declarant), the Association, and each residential owner, shall have the right to enforce, by and proceeding at law or in equity, all restrictions, conditions, covenants, easements, reservations, liens and charges set forth herein or in the Bylaws or now or hereafter imposed by or through the Association's rules and regulations. The Board, in its discretion, may delegate enforcement of the Supplemental Covenants to the Chapel Ridge Homes Association, Inc. by consent. Failure by Declarant, the Association or by any residential owner to proceed with such enforcement shall in no event be deemed a waiver of the right to enforce at a later date the original violation or a subsequent violation, nor shall the doctrine of laches nor any state of limitations bar by enforcement of any such restriction, condition, covenant, reservation, easement, lien or charge.

Whenever the Board determines that a violation of this Declaration has occurred and is continuing with respect to a Lot, the Association may file with the Recording Office a certificate setting forth public notice of the nature of the breach and the Lot involved.

To the extent permitted by law, if Declarant or the Association shall be successful in obtaining a judgment or consent decree in any court action, the Declarant and/or the Association shall be entitled to receive from the party breaching this Declaration as part of the judgment or decree the reasonable legal fees and expenses incurred by Declarant, its transferees and assigns, and/or the Association with respect to such action.

If any residential property owner commences a lawsuit or files a counterclaim or crossclaim against the Association, the Board, or any committee or any individual director, officer or committee, member of the Association, and such property owner fails to prevail in such lawsuit or counterclaim, the Association, Board or individual director, officer or committee member sued by such residential lot owner shall be entitled to recover from such property owner all litigation expenses incurred in defending such lawsuit, counterclaim or crossclaim, including reasonable attorneys' fees. Such recovery right shall constitute a special assessment against the residential owner's Lot and shall be enforceable against such Lot as provided herein.

6. Severability. Invalidation of anyone or more of these covenants, conditions, restrictions or easements by judgment or court order shall in no way affect any other provisions, which provisions shall remain in full force and effect.

7. Gender and Grammar. The singular wherever used herein shall be construed to mean the plural when applicable, and the necessary grammatical changes required to make the provisions hereof apply either to corporations, partnerships, men or women, shall in all cases be assumed as though in such case fully expressed.

8. Captions. The captions of the various provisions of this Declaration are not part of the context hereof, but are merely labels to assist in locating the various provisions hereof.

9. Construction of Declarations. The easements, covenants, conditions, assessments and restrictions contained in this Declaration are in addition to those set forth in the Primary Declaration, and shall in no way relieve the maintenance provided Lots or any residential lot owner thereof from the Primary Declaration. This Declaration and the Primary Declaration shall be construed in harmony whenever possible. To the extent the terms of this Declaration conflict with those contained in the Primary Declaration, the provisions that are more restrictive with regard to resident lot owners or occupants or that are more expansive with regard to the rights of the Declarant or Association shall prevail.

In WITNESS WHEREOF, the undersigned Declarant and Developer have set their hands as of the day and date first above written and further certify that such amendment is made pursuant to authority vested in Declarant.
